Experience the independence and excitement of getting your Class 5 or Class 7 driver's licence. Our unique driver training programs focus on the skills you need to be safe and confident on the road; more than just what's needed to pass the road test. Whether you are working towards obtaining your Class 5 or starting with your Class 7 Learners Licence and working towards your Class 7 "N", our courteous and experienced Driving Instructors work to develop and maintain defensive driving habits to keep students in control on the road.

- Graduated Licensing Program
- Defensive Driving Program

- Class 4 Unrestricted & Restricted

There's no job like trucking and our graduates get hired! Our professional and experienced Instructors have the skills to help you feel comfortable and confident while guiding you toward a rewarding trucking career. The skills you develop with us will allow you to handle daily driving situations in a safe and confident manner. Our commercial training programs increase your knowledge of the trucking industry and make you a valuable candidate to potential employers.

- Air Brake Course
- Class 1 MELT
- Class 2
- Class 3 Standard
- Class 3 Automatic
- Class 3 Career
- Employment Skills

Riding a motorcycle will fill your heart with exuberance and put a smile on your face. Grab life by the bars and experience the excitement of riding a motorcycle! Our fun, informative and effective training programs are an optimal blend of practical real-world experience, in-class theory and closed-circuit training. We cover topics and situations that riders will encounter to ensure our students develop skills to become safe and confident riders for many years to come.

- Complete Program
- Skills Program
- Evening Skills Program
- Traffic Program
- Road Test Prep & Rental
- One-On-One Training

Upgrade your licence and expand your possibilities! Not every driver needs the same credentials, but every driver deserves expert training when they're ready to level up. Our Additional Training programs are designed for licensed drivers who need to add endorsements, upgrade their class, or build specific skills for work, recreation, or the open road.
